Jill and Molly-

Attached is a cover letter and comments on the Draft Coordination Plan prepared by the Corps for the Pebble EIS.

During the check in with David last Tuesday, it was agreed that I would draft the letter and comments for his signature. Kim and Ashley have already provided their review of the comments.

If you have time, could you please give the cover letter and comments a quick review? The coordination plan is also attached.

I would appreciate any comments by COB Tuesday so that I can get it to David for review on Wednesday. The Corps asked for comments well in advance of the meeting on the 18<sup>th</sup> and I would like to get this to Sheila by the 11<sup>th</sup>.

Please give a call if you have questions.

Patty
